Dear Mr. McDonald:

This letter brings to you our most sincere thanks for your generous donation to the ASFPF Foundation on February 19, in the amount of \$750. You join a select group who contribute to the achievement of important floodplain management goals. We again would like to express our appreciation for your generosity. Your support will enhance our ability to undertake more of the many activities entailed in ensuring that the nation's floodplain lands are wisely and safely managed. As you may know, our current project priorities include:

- Sponsoring national policy forums to determine actions, research, and education which can promote flood loss reduction and wise floodplain uses in the nation;
- Establishing and maintaining public access to floodplain management services and information worldwide through all practical forms of media, including the Internet;
- Promoting projects that contribute to sustainable mitigation efforts at the community level; and,
- Preparing case studies on communities implementing floodplain management practices that exceed Federal and State standards.

Your donation will be used to form a strong foundation to these projects.

As we continue to further the fulfillment and growth of the ASFPF Foundation, we will keep you apprised of our activities and progress.

Thank you again,

Best Regards,

Scott K. Edelman, P.E.
President
